In the matter of:

**Notification of areas for levy of premium tariff with effect from 01.12.2011 in terms of clause 6 of Part-A and clause 7.1 of Part-B of the tariff order for 2011-12**

Dated : 25/11/2011

### **ORDER**

Perused the notes of the Secretary.

BSEB vide Chief Engineer, Commercial letter dated 21.11.2011 has submitted a copy of the notification and newspaper clippings in respect of the areas for which they are going to charge premium tariff w.e.f. 01.12.2011. The area covers PESU, some 11KV feeders emanating from Bodh Gaya and Rajgir power sub-stations. Provision for premium tariff was made by the Commission in the Tariff order issued on 01.06.2011 for FY 2011-12 vide clause 6 part-A for LT consumers and clause 7.1 of Part-B for HT consumers of the Tariff schedule with the condition that there should be close to 24 hours of power supply to these areas.

Keeping in view the provision in the Tariff order, BSEB is directed to keep their lines, sub-stations, transformers and other equipments for power supply to these areas in healthy condition to ensure close to 24 hours of power supply in the notified areas for charging premium tariff.

Secretary to issue letter accordingly. A copy of this order may be placed on the website of the Commission.
